Howard Wark by Emmet L. Harstine

Henry Harstine was born in Westmoreland County, Pennsylvania, Oct. 18, 1831. The next year the family moved to Ohio where he grew up and learned the tinnners trade. In 1854 he and his parents moved to Owen County, Indiana. There on August 19, 1855 he was married to Catherine Huller who died Oct. 31, 1855. On July 24, 1856 he was married to Mary Long.

For thirty years he lived in Patricksburg, Indiana, where his sixteen children were born. In 1886 he came to Rexford, Thomas County, Kansas, where he homesteaded. Three sons and two daughters had preceded him to Kansas, and a desire to be near them induced him to make this change.

The last eighteen years of his life were spent on the farm he homesteaded. He died March 7, 1905. His second wife Mary Long was born in Ohio, July 2, 1838 and died in Wamego, Kansas on Sept. 3, 1913.

The memory of his life will be his true monument and there-on he has inscribed such words as these; industry, honesty, justice and gentleness.
